muth1438 My house that got bombed last year. Because of (the qadr of Allah) my laziness I didnt get shahadah.. I was at my neighbors house for a sleepover and I returned to my house to clean. I set out the cleaning products and was like "meh cant be bothered I'll do it tomorrow" 1 hour later Russia is like "she doesn't deserve a house" and before that I grabbed my workout jacket and told my friend hey if my house gets bombed at least I have this jacket. Wow. K.
